2-Port DisplayPort / HDMI USB Cable KVM Switch
UDP-TA2 / UHV-TA2

Reduce Cabling Hassles! Compact and concise KVM switch for an instant switching

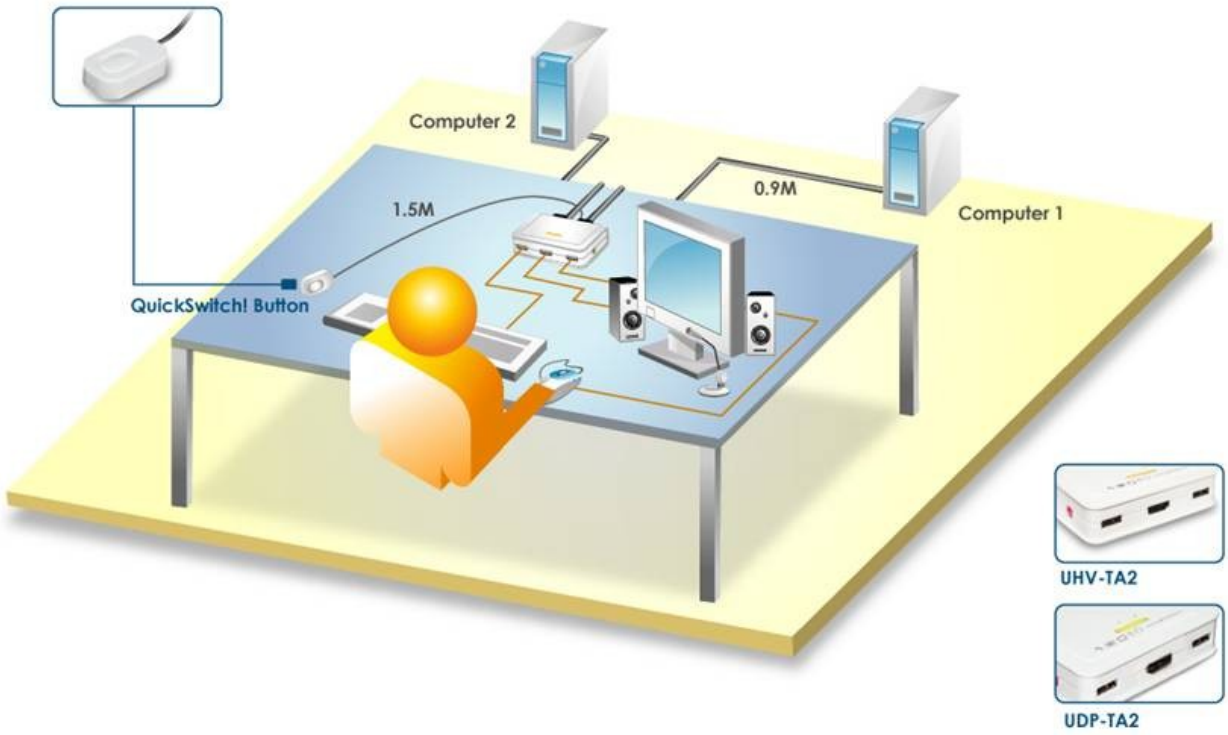

The **2-port DisplayPort/HDMI USB KVM Switch** with 2 sets of USB KVM & Audio/Mic combo cables and a wired **QuickSwitch button** is for easy connection to your two computers. It allows you to access, control, boot and reboot two USB-enabled multimedia computers with only one USB keyboard, mouse, display and a speaker set and microphone. For easy and fast switching between two computers, you can use the **QuickSwitch button**, keyboard hotkeys, and Switching Software Client installed on your PCs!
